 Address: \_\_\_\_\_ E-Mail: \_\_\_\_\_  
 City/State: \_\_\_\_\_ Web Site: \_\_\_\_\_

Art Education:

---

Shows and Awards:

---

Art Organizations:

---

I understand that I must submit three (3) framed and plexiglassed watercolor paintings on paper, to be juried for acceptance into active membership in the Valley Watercolor Society. All work must be original (no Giclee or other reproductions are permitted) and must not have been executed in a class or workshop or with aid of an instructor, I must also submit the fee of \$40.00 for the current membership year. This represents the annual dues of \$35.00 for membership and a non-refundable \$5.00 registration fee. If the annual membership dues have already been paid, only the \$5.00 registration fee need be submitted with your art work.

**VWS requests that all members that are accepted for active membership volunteer some of their time over the year to assist the VWS board in their guidance of the group. This will provide needed help to the organization. It will also give the new active member the opportunity to interact with board members and many others in VWS, and increase their understanding of how our group functions.**
